PRESIDENT'S MESSAGE

Kathleen Wright

HELLO NOVEMBER!

'November is the month to remind us to be thankful for the small joys, and quiet beauty around us, even as the days grow shorter and the air turns crisp.'

Here we go again exercising our membership rights by first filling out the ballot to elect three members to fill the open seats on the Board of Trustees for 2026-2027. Choose wisely and thoughtfully. The opening of the ballot box, and opening and counting of the ballots will begin at 1:00 PM on Monday, November 10, 2025. If you have an interest in the new process being implemented you are welcome to attend. This meeting is now called THE ANNUAL MEETING.

Then, at 5:00 PM, also on November 10th, there will be a meeting with the Board and our attorney to explain the ballot instructions, and the actual ballot being used to finalize acceptance of the Revised Bylaws. You will want to bring your Bylaws ballot package with you, and perhaps the current Bylaws if you have questions. Bylaws ballots must be returned by noon on November 26th. Working on the revisions has been a two-year process for the Board. We worked diligently for the best results for all of our members.

In the December Pride you will find the proposed Budget for 2026 to be presented at the December INFORMATIONAL MEMBERSHIP MEETING. Much of the budget is contractual, also with wish lists from some of the Standing Committees.

2025 has been busy, changing, challenging, sometimes eye-opening, and over-all a year to remember!

EDITORIAL

Carol Powell

November! The first thing that comes to my mind is Thanksgiving, followed by Veterans Day. We know that Veterans Day honors all of those who have served in the Armed Forces of our country. This year we celebrate that day on November 11th.

How about Thanksgiving? We eat too much and hopefully enjoy the company of family and/or friends. How often do we think about how this holiday came to be and what our forefathers endured to make them so grateful that they celebrated with an elaborate feast and friendship that included the Native Americans who had helped them through a very tough beginning? According to one of my best friends, Google, the holiday is rooted in the legend of a 1621 Harvest Feast shared between the English colonists and the Wampanoag people. The first Thanksgiving was a three-day feast. It is considered a day for expressing thanks for family, friends and abundance.

So whether or not you have or have had family who served in the military, on November 11th remember to say thank you, and on November 27th don't eat too much, give thanks again and hopefully spend the day with family and friends.

Stay safe and most importantly, stay well.

PET CORNER

MAEVE

By Deborah Krause

Maeve or “Queen Maeve of Ulster” as Carolyn and Mickey sometimes like to call her is a 4 year-old Rat Terrier rescue. The name Maeve means ‘cause of great joy’ and she was adopted right after Thanksgiving in 2022. Rat terriers were recognized as a breed in 2013; they are a mixture of 7 different breeds, including Whippet, Italian Greyhound, Beagle, Fox Terrier, Manchester Terrier, Old English Terrier, & Bull Terrier. Maeve is a true chatty “rattie.” She has expressive barks, whines, cries, growls, and even trills. These are warbles or shrills that some dogs make when they are excited.

Maeve has some unique behaviors. Flies do not have a chance around Maeve; she is a very efficient flycatcher. Maeve is a ‘Velcro Dog’ meaning that everywhere you go, she has to be there with you. She loves to snuggle and watch TV and loves to be outside where she can watch squirrels, chipmunks, and the occasional rabbit. Maeve has special, individualized greetings for neighbors and the letter carrier. She loves to watch the UPS, Amazon & FedEx trucks bring packages, as she thinks they’re all for her; and sometimes they are! Maeve likes to play with her canine friends Pretzel, Molly, Nina, Emma, Dexter, Gidget and Kona.

Mickey shares that pets add to the health of seniors. Maeve seems to embody that, as she loves on the neighbors and they reciprocate; you can feel the mutual healing. In fact, a recent research study found that living with a dog or cat is associated with slower cognitive decline, in both executive functioning and episodic memory. Many pet owners have known this fact for a while. The title of the research study is: “Longitudinal relationships between pet ownership and cognitive functioning in later adulthood across pet types and individuals’ ages” which was published on May 30, 2025.

COMMUNITY AWARENESS

Deb Rodgers

Hello, Lions Head South Residents,

I hope everyone is doing well and is enjoying the colorful change of the leaves.

Thank you to everyone who attended our yearly Health Fair. It was very well attended and that's because of all our wonderful residents.

Free lunch is available at Visitation Church on the 3rd Thursday of the month. No reservations are required. Doors open at 11am.

Did you know that you could set up a Property Alert? With all the scams out there, it's always good to try to get ahead of issues before they become a problem. Go to <https://www.oceancountyclerk.com>. Click on the E-Record & Recording button. Click on the tab for Property Alert Service, then click sign up today. When anything changes for your property, you will get an email stating something has changed. If you get one, that will be your clue to contact the County Clerk's office to see what has changed.

Remember, all this information can be found on the township website <https://www.bricknj.gov>. You also can find information in the Mayor's Senior Advisory meeting minutes that are posted on the Lions Head South website under Community Awareness.

When you're in the Clubhouse, look at our bulletin boards. We post a lot of information that may be of interest.

If you know someone who would like to speak at one of our residents' meetings, please reach out to myself or one of our members.

That's all for now!! Happy Thanksgiving and I hope everyone will have an enjoyable holiday with family and friends.

COUNTRY CLUB

Phil DeCarlo, Sr.

As the golf season gracefully concludes, it is with profound gratitude and immense pride that I reflect upon the collective achievements and unwavering dedication exhibited by our entire LHCC community. The enthusiastic contributions of our volunteers and the steadfast participation of our members have been truly exceptional, cultivating an atmosphere of camaraderie and excellence that unequivocally defines our club.

We have received consistent and overwhelmingly positive feedback from numerous members regarding the significant enhancements to our course. Through diligent maintenance initiatives and strategic improvements, the playing conditions have ascended to an outstanding standard. This heightened play ability not only enriches the golfing experience for everyone but also markedly strengthens LHCC's appeal as a vibrant and desirable social hub, drawing new members and reinforcing existing community bonds.

This impressive momentum is strategically anticipated to foster robust growth in both our membership numbers and crucial revenue streams. These vital resources will be judiciously reinvested directly back into the club, empowering us to further elevate our facilities and expand our service offerings, thereby ensuring sustained prosperity and an enriched experience for all.

To strategically harness this growing desirability and secure the long-term vitality of LHCC, the board is actively engaged in developing refined marketing strategies. Our approach is comprehensive and thoughtful, meticulously weighing the exciting rewards of measured expansion—such as augmented resources and a broader, more diverse community—against potential considerations, like preserving our club's cherished intimate character and ensuring paramount member satisfaction amidst increased activity. Our overarching objective is sustainable, conscientious growth that benefits every facet of our community.

As we approach a period of reflection and thankfulness, on behalf of myself, and our remarkable Women's Golf Association (WGA) team, I extend our sincerest wishes for a truly joyful and peaceful Thanksgiving celebration. Furthermore, we pause to profoundly honor and remember all our brave Veterans whose selfless sacrifices have secured the enduring freedoms we hold so dear.

GARDEN CLUB

Cindy Eicher

November is a busy month for the monarch butterfly. They embark on their migration journey traveling between 1,200-2,800 miles to the mountain forests in Mexico. There they hibernate from November to March reversing their route in the spring where they are vital for pollinating our wildflowers and food crops. We are very proud of our butterfly garden and get excited when a new monarch is released into the world. Lucy Coburn has been successful in releasing a few monarchs this summer.

I hope everyone is enjoying our fall decorations throughout the community. Fall is such a beautiful season incorporating scarecrows, mums, cabbages, pumpkins and gourds.

Don't forget daylight savings time November 7th! Happy Thanksgiving!

MAINTENANCE PAYMENTS

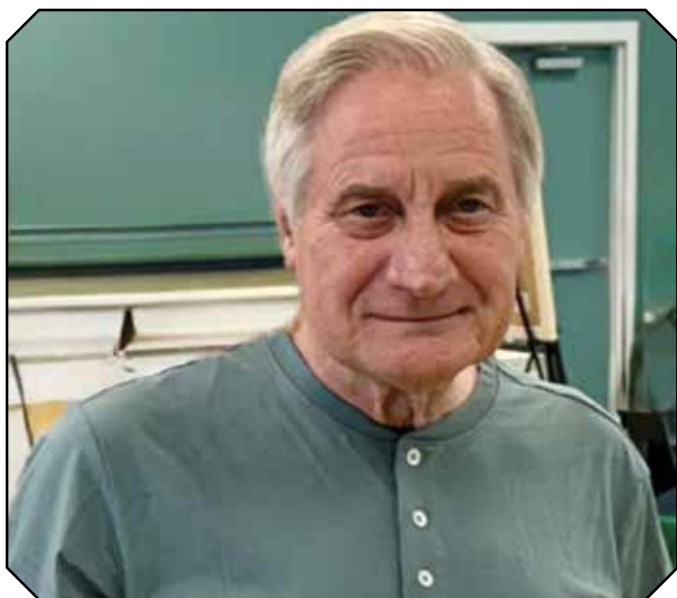

For those residents who previously paid their monthly maintenance fee in advance by predating their checks, please be advised that option will no longer be made available. You can submit one check in the entire amount for the year, or send in your monthly payment each month when due. The same policy is in effect for those residents who leave for Florida in the winter.

**KEN
SCHWARZ**
By Deborah Krause

Ken and Margie Schwarz have been living at LHS for twelve years. They wanted to find a new home where they could actively participate in different programs and be close to their grandchildren. Ken is a graphic artist and has taught at Somerset County Vocational Technical Schools and du Cret School of Art in Plainfield. In 2016, Ken found his new calling at LHS as instructor and mentor to resident artists. On Tuesdays, from 9:30 – 11:30am, he teaches the Watercolor Art Class and on Wednesdays from 9:30 – 11:30am, he teaches the Acrylics Art Class. As Ginny Carbone shared in the October edition of the

Pride, she has been part of the Acrylics Art Class for the past 4 years and the class brings her joy. Ginny appreciates this weekly art class and the guidance of Ken, who shares his knowledge, encouragement and humor.

Besides guiding our resident artists, Ken is involved in the Men's Club, Shuffleboard, the chorus, and he delivers the monthly editions of the Pride. One of Ken's favorite LHS memories is the first LHS Art Show, which happened this past June. He thinks that the Art Show was very successful and well-received by the LHS community. Ken says that those who live at LHS are "young at heart" and he likes that the activities and clubs can be enjoyed year round. Ken and Margie have met some very caring and fun neighbors in LHS, whom they now call good friends. He encourages all residents to explore and get involved in the clubs, activities, and committees offered here at LHS.

THE WOMEN'S CLUB

Deb Rodgers

Hi everyone,

I hope everyone is enjoying the cool nights and delightful days.

Thank you to everyone who donated to our Food Drive. Reverend Steve is very grateful for the kindness and generosity of our residents.

A big shout out to Bonnie Luton and the Lions Head South Chorus for a wonderful show at our October meeting. Thank you, Bonnie and Chorus.

For our November meeting, Gene from the Brick Historical Society will be our speaker for the month.

Our Holiday Luncheon will be held at the Spring Lake Manor on Wednesday, December 10, 2025 from 1pm-4pm. Cost, \$40 for members, \$50 non-members. Please see flyer in the Pride for additional information. Ticket sales will start at our November 19th meeting and the following Monday mornings, 11/24 and 12/1.

We are always looking for a speaker or fun activity to do at our meetings. Feel free to let myself or the Women's Club Executive Board members if you have any ideas.

If you have any questions, please feel free to contact me.

That's all for now wishing you all a happy Thanksgiving with family and friends.

LIBRARY

Janet Pedersen

Hello, LHS friends and neighbors,

I would like to take this opportunity to inform all new residents, and to provide a reminder to all who are regular users of our wonderful Lions Head South Lending Library, that our **New Arrivals Section** can be most helpful in your search for an interesting read.

This New Arrivals section, which can be found on the sofa table adjacent to the large library table, has been set up to call attention to recent donations we have received.

Temporarily placing these recently received items in this separate location gives everyone a chance to see donations as soon as they become available. These books, cookbooks, coffee table books, Readers' Digest condensed books, large print books and movie DVDs will stay in this new section for up to two weeks before they are finally placed in their corresponding areas on the wall shelves. Be sure to check this area first before going to your favorite bookshelf section to make your selection.

Unfortunately, due to lack of space, newly donated jigsaw puzzles cannot be placed in the new arrivals area. However, our staff continues to label the bottom of new puzzle donations with the date received before placing them on the shelves. If you are unsure whether you have already seen a puzzle on the shelves, check the box bottom date before your selection. If no date has been written, that would likely indicate the puzzle has been on our shelves for quite some time.

Thank you again to those who donate to our LHS library. Your generosity is greatly appreciated by all and helps to make our community library one of the finest and well-stocked in Ocean County.

Be well and...happy reading!

MEN'S CLUB

Rich Szymanski

Apologies for canceling the Bingo for Saturday, October 11. We hope to manage ticket sales a little more efficiently in the future. Which brings me to our Night At The Races And Beefsteak Dinner scheduled for Saturday, November 22nd. Tickets will go on sale on Monday, October 6 from 9:30am to 11:00am in the Clubhouse. Catering is provided by Nightingale's and hopefully we can recruit our usual betting staff. In the meantime, enjoy the weather, stay healthy and work on your prancing.

THE RECIPE BOX

Sue Auer

Writing the Recipe Box has been an interesting 7 years for me! Friends and neighbors have contributed their cooking ideas, favorite foods, recipes, stories from articles and many suggestions to talk about food! For me, some came naturally, as my grandparents came to the US from Europe, bringing their love for family cooking traditions!

It's a great month to write and cook! During the 30 days of November we celebrate 2 Federal holidays.

VETERAN'S DAY November 11th (the ending of WWII the 11th hour, the 11th day, the 11th month) ... to honor the women and men who served our country in the military.

THANKSGIVING DAY - a celebration assigned on the 4th Thursday of November ... A day to give thanks for sacrifices and hard work.

Cooking has evolved from simplicity and transformed into unique American methods ... one being the Crockpot or Slowcooker!

From Lucy Hubert - for the new residents that have missed her Crockpot entry....

Turkey Breast - 1 boneless turkey breast, 1 can cranberries (whole or jellied), 1 pkg. dried onion soup mix.

Spray pot with a nonstick product, place turkey breast in the pot, add on top of meat ... cranberries, onion soup mix ... Do not add water! Cook 2 hrs. on high, turn, then cook 4 hrs. on low!

A suggestion from Lucy: A boxed stove top stuffing can be added as a side.

RECREATION COMMITTEE

Maryellen Klotz

Hard to believe it is November and sign-up time for Recreation has begun! Our dedicated committee meets on the 2nd Tuesday of the month at 4:30pm in the Lion's Den (although we are on hiatus during the winter months). We oversee the running of the pool, bocce, indoor and outdoor shuffleboard as well as the pickleball and tennis courts. We plan fun events and are looking for new members who have ideas to improve our committee and pitch in when planning and running our events. If it sounds good to you, sign up and we look forward to welcoming you to our committee!

SOCIAL COMMITTEE

Lee Bruzatis

Committee signups for 2026 are this month. I hope you will consider joining the Social Committee. We are a very fun group and the more the merrier! Jobs include planning events, booking caterers and entertainment, decorating, ticket sales, shopping and helping with setup, serving and cleanup on the day of the events. This year we have met on the 3rd Tuesday of the month at 3:30 but this could change next year based on member availability. Don't worry if you can't make the meetings, you can still help with events! See our web page for more info.

We are looking for residents to participate in our annual **Christmas Car Parade on Dec. 13** at 5PM. Decorate your car, truck or trailer to help us spread some holiday cheer throughout the neighborhood. Families are welcome to join in on the fun. Sign up online on the LHS website or use the signup sheet on the Social bulletin board in the clubhouse.

Save the date for our New Year's Eve Party on Dec. 31. Our survey results indicated that you like the 8PM to Midnight time, so that's what we will stick with. We're planning to provide appetizers and desserts for \$10 per person.

STANDING COMMITTEE

SIGN UPS

Sign up sheets for the 2026 committees will be posted on Friday, October 31st in the Clubhouse hallway and will be taken down on Monday, November 17th by 12 noon. We urge you to consider signing up for one or more committees. **Annual signup is required** to be on a committee; you are not automatically on a committee year after year. Standing Committees form the backbone of Lions Head South. These volunteers make recommendations to the Trustees and keep them informed on a multitude of issues.

SNOWBIRDS

If you expect to be away from the community for the winter months, please be sure to fill out a "going away form." You can stop in the office or you can find the form on the website under the forms tab. If you do not come to the office, the Lions Pride will be left in your door. Likewise, when you return in the spring, please inform the office so that delivery will be resumed to your door.

IMPORTANT FLU FACTS

All people 6 months of age and older should get vaccinated against seasonal flu every year.

Children younger than 6 months are at high risk of serious flu illness but are too young to be vaccinated. People who care for them should be vaccinated instead.

Vaccination is especially important for pregnant women and people with chronic diseases.

The flu vaccine protects against several different flu viruses (strains). Flu vaccines are updated every year to better match the viruses circulating in the public.

Getting the flu vaccine cannot give you the flu! The vaccine is made with inactive (killed) virus strains, which are not infectious.

For more info, visit oceancountyhealth.gov or download the CDC statement on vaccinations at: cdc.gov/vaccines/hcp/current-vis

Stay informed with notices, upcoming Flu vaccination clinics, and more!

The Homebound Flu Vaccine program is available to residents who are restricted to their home.

PRIORITY FOR DRIVEWAY SNOW REMOVAL

As we approach another winter season, we again find it necessary to clarify who qualifies for the Priority Snow Removal list for 2025-2026 winter season. A new request is required every season.

For those who qualify, please submit your request to assure that you will be placed on the priority list. To qualify, a resident must require regular life-sustaining medical treatment, such as chemotherapy, radiation or dialysis in or outside the home.

A "heart condition" does not qualify. Your request must be accompanied by a **physician script/note** which specifies that life-sustaining treatment for any of the conditions outlined above is necessary. Hand written notes are unacceptable. All information will be kept by the administrator and will be confidential.

For convenience purposes, your doctor may fax this information to our office. Our fax number is 732-920-2650. Please be assured this information will be kept strictly confidential. Placement on the Priority Snow List cannot be accomplished until we receive the necessary documentation from your physician.

Your need to go to work does not qualify for priority snow removal. For this purpose, we suggest you make advance arrangements with a private contractor for snow removal.

The township will cooperate by plowing our roads so that our contractor can begin work. Of course, the town will continue to respond to any serious problems during storms.

ALWAYS CALL 911 FOR ANY MEDICAL EMERGENCY

Please be sure to keep on hand extra supplies of medications and food so that you do not need to leave the house during or immediately after a snowstorm. The weather predications generally provide ample warning time for making preparations.

Please respond as soon as possible as the winter season will be here soon.
