PRESIDENT'S MESSAGE

Kathleen Wright

Sprinklers are active, the pool is open and being enjoyed by many, and our outdoor recreational activities are in full swing. We wish all of our residents, families, and friends a happy time while visiting and enjoying our amenities. Please be sure you read the pool rules and be sure to sign in, and make sure every adult has a recreation badge. We are hoping the FOB system will be operational whether on May 10th or soon after. Thank you for your patience.

Members of the Architectural Committee will be doing their property walk-throughs for several weeks. If it has been a while since you power washed your house and patio, consider completing that task now. Remember how much we enjoy living here seeing the beauty around you? If you are asked to clean up an area or remove something from the Residential Buffer Zone, please be gracious and follow-through.

LHCC is looking beautiful and the golfers and fans can be seen on the course every day. If you're a past member or someone thinking about joining, stop by the LHCC and speak to a member.

Cindy put this message on Facebook recently and I think this answers a lot of the seemingly disgruntled people we run into in the clubhouse, outside walking, etc. For me, I will try to always use kindness, even when I, as President, am called upon to approach a situation, or discuss resolutions. I'm willing to listen, but our By Laws, Rules and Regs, and Architectural guidelines must be the same for all of us. If you aren't familiar with these, they are on the website, and in the near future we will be distributing fresh copies to every owner.

"Kindness is free. Sprinkle it everywhere."

Summertime "and the living is easy", of course from Porgy and Bess. (If you are not familiar with it, it was on Broadway a few times and there is a movie too.) How lucky are we to live in a place that so defines those words!

By the time you read this, at the end of May, summer activities all over the community will be in full swing. You can cool off and socialize to your hearts content by the pool or enjoy your personal outdoor space, whether that be your driveway, or a front or rear patio or perhaps you have a porch. How about playing golf? If you have not tried it check with the people at the Country Club. They'll be happy to provide details. By July we'll be limiting those activities to evening, in many cases, as the afternoon can be too hot, except for the pool, of course. So many of our groups have fun events scheduled for June. There are several flyers in this issue and of course all those very informative articles to read. Get signed up so you don't miss out.

As always, stay safe and most importantly, stay well.

PET CORNER

CHARCOLE/COLE

By Deb Rodgers and Deborah Krause

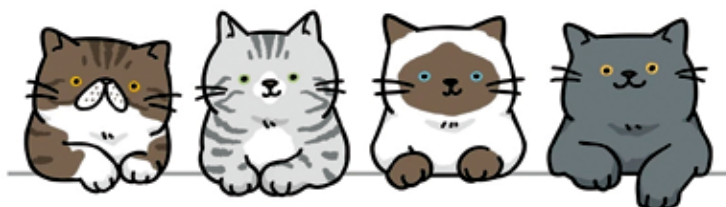

Charcole, whose nickname is Cole, was born October 15, 2012. Our family adopted him on December 20, 2012, from St. Hubert's in Branchburg, NJ. Cole was a Christmas present for my son Jonathan, who I thought needed a pet to take care of. We quickly learned that Cole needed a companion pet. That is when we adopted Wow-J; a stray from a co-worker. He fit well with our family. Both cats are black and white and are considered tuxedo cats because of their color and markings. Unfortunately, Wow-J passed away from heart disease in October 2023.

Cole loves to lie in the sun by the front door. He loves to be scratched behind his ears. When people come to visit, he can't wait to have them pay attention to him. At night Cole will lay next to me while watching TV and if I have an apple, I must share with him. Apples are one of his favorite snacks. Every night he is given his greenies. If you forget, he will remind you by sitting and staring at you. Cole is a companion when I'm by myself. He's very entertaining to watch when chasing a hairball or the laser pointer. I would like to thank Janet and Bob Pedersen for introducing me to

the automatic litter pan. This device saves me so much time cleaning up after him.

As you can see by the above picture, Cole loves boxes. He will hide in them and attack you as you walk by. Because he likes to hide, I have to be careful that he isn't locked in the linen closet, garage or my lift top table!

BUILDING & GROUNDS

Tia Katakozinos

As you read this, spring flowers have emerged and bloomed, the grass is green and growing, birds are nesting and trees have returned to life, blossoming and showering the ground with an array of colorful petals. Buildings & Grounds Committee members are well under way with all related seasonal projects.

As our community was carved out of the Pinelands, we are tasked with caring for trees by State and Township regulations. The LHS Tree Meeting, held on April 30th, was well attended, provided much information and clarification of tree management. For any who missed the meeting, the presentation can be found on the LHS website.

Additional points to know before digging into the ground for planting, patio building, tree and root removal, etc.:

1. A requisition is required for Federal Irrigation for assessment and location of underground irrigation and sprinkler system structures. The requisitions are located in the box outside the rear clubhouse entrance.
2. As LHS has underground utilities, New Jersey Law requires you to contact 'New Jersey One Call' at least 3 business days before beginning ANY underground work. Dial "811" or 800-272-1000.

This is a free service which ensures safe digging, protection of underground utilities, prevention of interrupted services, expensive repairs, project delays and costly fines.

More information can be found on 'New Jersey One Call' website.

COMMUNITY AWARENESS

Deb Rodgers

Hello Lions Head South Residents.

I hope everyone is doing well.

Did you attend the Brick Senior Prom? If you did, how about telling us all about it. Was it fun? Did the DJ play good music to dance to? How was the food? Let us know on the Pulse.

The Brick Farmer's Market is in full swing. It's every Saturday until October 4th 8:30am to 1:30pm @ Windward Beach Park, 265 Princeton Ave. Brick, NJ 08724. Check the website <https://www.brickfarmersmarket.com>

Get your questions ready for our June 9th Residents

Meeting with Phillp Zimmerman from the Ocean County Veterans Service Bureau.

For our August 11th Residents Meeting, Mike Roche will talk about Mental Health and what is available to us seniors.

The County Connection Van had a small hiccup in May. They were here in the Clubhouse, instead of their van. They had about a dozen people come in and ask questions or have their passports renewed or get their passport for the first time. They were very pleasant and helpful. Hopefully their van will be ready for the following Mondays 9am-3pm: June 16, July 12, August 18 and September 15. They will be in the Clubhouse parking lot. Anything that can be done at the County Connection in the Ocean County Mall, can be completed when the van comes to our community. Any questions, please feel free to contact me.

I hope the people who registered for the Town-Wide Yard sale did well. Let us know how you did on the Pulse.

On September 8, we will be hosting Municipal Candidates Night. We have been talking about changing the format a little. Instead of coming up with questions, each candidate will be given 5 minutes to explain their platform. At the end, we will circle back to each candidate for them to do a 2 minute rebuttal. If we receive questions, they will be asked to the candidates after the rebuttal. If you have questions for the candidates, please send them to me, LDeb10@aol.com. No questions will be taken from the audience.

Our Health Fair is October 23, 2025, 10am to 1pm. Hackensack Meridian Health will be hosting. Vaccines may not be offered. Still working with the Department of Health. Here are a few new restaurants coming to Brick:

First Watch – Shop-Rite Plaza – already opened.

Dave's Hot Chicken – Shop-Rite Plaza – by Round Pie – no opening date.

Wonder Restaurant – Brick Plaza – by Chuckie Cheese – no opening date.

Mission BBQ - making inquiries about the old TGI Fridays.

Taco Bell, Burger King and Bojangles – approved to go into the space corner of Jack Martin and Rt. 88.

Underground Café – currently under construction located Rt. 35 Normandy Beach.

Hobby Lobby – coming along, no opening date.

Remember, you can always see the Mayor's Senior Advisor Committee minutes on the LHS website. They are listed under the Community Awareness tab.

When you're in the Clubhouse, look at our bulletin boards. We post a lot of information that may be of interest.

If you know of someone who would like to speak at one of our residents' meetings, please reach out to myself or one of our members.

That's all for now!! Enjoy the rest of your month.

COUNTRY CLUB

Phil DeCarlo

Greetings to all! I can't believe it's half over - almost. As we enter the mid-calendar of our year the course conditions - greens, fairways, bunkers and borders - are improving rapidly. And we have the supervision of Buildings and Grounds and the hard work of Ed and his crew to thank for these improvements. Lest we forget the obvious - our members and public patrons are improving their respectful use of the course. Isn't it a wonder??? R-E-S-P-E-C-T... Remember?

Activities are the game as well! Tournaments, Scrambles, Sponsors, Breakfasts, Lunch, Treasury, WGA, Records, Procedures, Data Processing and Communication and of course - Camaraderie! All of this doesn't happen in a vacuum. We have dedicated and talented "VOLUNTEERS" who consistently provide all of this. As I mentioned in the last residents' meeting: "We need more volunteers to learn the ropes so that we can maintain management succession." So, join the group. "You will be glad you did!"

Best to All

DID YOU KNOW?

Deborah Krause

In the October 1987, edition of the Lions' Pride Newsletter, it was reported that the new *Lions' Head Drama Club* was beginning rehearsals for their first production. The group chose a new comedy by Jules E. Tosca, "The Mind With the Dirty Man". The article noted, "that amateur theater is a very rewarding experience and those involved in the production are very special people". Currently we have a chorus, artist groups, and a craft group; anyone interested in starting a theater group?

GARDEN CLUB

Cindy Eicher

The month of leaves and roses,
When pleasant sights salute the eyes,
And pleasant scents the noses.

—N. P. Willis

At our April meeting, much discussion and planning were done considering our plans for gardens and planters

in the various areas of the community. These include the Clubhouse entrances, various gardens, pool area and tier garden in addition to assisting with the flowers at the front entrance to the community.

By now our Community Butterfly Garden is completed. This endeavor is a part of our efforts to aid pollinators, especially the Monarch Butterfly which is seriously diminishing in numbers. We will keep a watch on our plants and take care to keep them healthy and safe from deer. This has been a long planning process, and we are grateful to the Building and Grounds Committee and our Board of Trustees for their cooperation in bringing this to completion.

June is here with its beautiful days of bright and warm sun. June 20th is the first day of summer with the longest hours of daylight and it's National Rose Month as well as Perennial Gardening Month.

Some perennial plants for you to consider:

HOSTAS -- Brighten shady spots in your garden and are super-easy foliage plants that come in different shapes, sizes, and color. As a bonus, Hostas develop graceful spikes of lavender or white blooms that will lure hummingbirds to your garden.

PEONIES -- Add peonies to your garden if you're looking for low-maintenance perennial flowers that will bloom every year without fail. They produce masses of large, fragrant spring blooms in colors that include pink, coral, white, red, cream, and bicolor.

CONEFLOWER -- A gardener's favorite for a very good reason. They are heat tolerant, drought tolerant, come in a rainbow of colors, self-seed, and they attract pollinators (always a plus).

If you are a container gardener. A fact sheet for container gardening is available from the Rutgers Cooperative Research and Extension Station at 1623 Whitesville Road in Toms River or call 732-349-1245. We are very fortunate to have this source of information available to us. If you haven't used them yet, give it a try. If you have used them, won't you share your experience with us. Contact Carmela Ferraro.

Tips for June Gardeners

- Apply slow-release fertilizer to annuals.
- Clematis and wisteria vines should be trimmed back after they bloom.
- Check roses for black spot and powdery mildew. Treat accordingly.
- Help control mosquitos by removing standing water. A **teaspoon** is enough for a mosquito to lay eggs.

Your Garden Club works hard providing color and beauty to our surroundings. We meet on the second Wednesday of each month. Our next meeting is June 11, in the Lion's Den at 10:30 AM. We'd love to have you join us and consider being a part of this active group.

Bonnie Luton

By Deborah Krause

Bonnie Luton has been a part of the LHS community since 2009. After her aunt passed away and everything with the estate was settled, Bonnie was determined to start a new life in a place where she could have an active social life. After visiting many senior communities, she thought that LHS would be the best fit for her. Bonnie rented her first house on Lauren Lane and quickly got involved in community activities and made many new friends along the way. After living on Lauren Lane for 11 years, the owner decided to sell the house. Bonnie began looking for a second house in LHS to rent. She was very pleased to find a new home on Meadowbrook Road, where she lives today.

According to Bonnie the greatest thing about living here is the people. She describes them as kind, caring, and always willing to help when needed. Bonnie said, "When I had surgery and needed help,

someone was there! If I need information about repairs and who to call, I ask someone and get an answer. If I need a ride, I get it! If I need 'a partner in crime', there are those who are willing to oblige!" Bonnie enjoys serving others by being part of the hospitality subcommittees for The Women's Club and The Singles' Club (which no longer exists). She has also taken part in a variety of classes or clubs offered at LHS; classes such as line dancing, Tai Chi, chair yoga and the book club.

If you have attended any of our social events, or have attended one of our Chorus Concerts, you have probably met Bonnie. She serves as our dynamic chorus director and works hard to plan two concert programs per year. Planning and conducting a non-professional chorus is no easy task but Bonnie considers these concerts to truly be 'a labor of love'. The chorus members appreciate her dedication and many continue to participate in these concerts year after year because Bonnie makes practice fun and challenging.

Bonnie relates that moving to LHS is one of the most memorable events in her life, so far! She has learned to live each day to the fullest by finding great people to befriend and then simply spending time with them. Bonnie appreciates the time she spends with others and looks forward to having more fun experiences at LHS for as long as possible. She encourages new residents to get involved, saying, "This will help you meet and become friends with people who share your interests and have similar life experiences".

LIBRARY

Janet Pedersen

June is here and the first day of summer 2025 is right around the corner. Why not spend some time on your porch or patio, sitting outside or poolside enjoying a book or magazine selected from our very own Lions Head South free lending library? Our large variety of hardcover books, paperbacks, condensed books, large print books, cookbooks, gardening books, coffee table books and magazines can be borrowed at any time without the need to sign anything out.

Our LHS Library Committee would also like to suggest setting up a jigsaw puzzle from the library selection on your porch or dining room table to work on during the extended sunshine of the summer season. Relaxing with a borrowed movie DVD or audio book is also an option open to our residents. Please feel free to utilize these many free items to make your summer more enjoyable, returning them at your convenience when you are through.

The complimentary Lions Head Library is just a short walk or car ride away and is available to all residents from 8:30 am to 10:30 pm daily.

Here's wishing everyone a happy, safe and healthy summer season!

MEN'S CLUB

Michael Voto

From the Lions Head South Men's Club, just a reminder that we have our Men's Club meeting the first Wednesday of each month. We provide lunch and a guest speaker. Anyone in the community who is not a member is welcome to join us for one free visit to our club. We will be happy to introduce you to the members and make you feel at home. We also have a fifty/fifty drawing with three prizes and badge awards where you could win a \$10 prize. If you decide to join, the membership fee is \$40 per year. That includes 10 lunches and admission to the holiday party for yourself, not a bad deal! Please consider joining us. You won't be disappointed. All Men's Club events are open to the entire community. After the first 2 weeks of ticket sales you can purchase tickets for friends and family. Always keep that in mind, because we do have some fun events. Coming up, on June 21st, is a trip to Monmouth Park Racetrack. The cost \$70 per person. It includes admission, buffet lunch parking, private ticket window in our 3rd floor private reserved room, and cash bar on the first and second levels of the Clubhouse. It will be a fun day. It will run from 10 AM to 6 PM. Also on July 16th, a Wednesday, we're having a Hawaiian Luau in the Lions Den. The doors will open at 5 PM. Cost is \$45 a person and the event will feature a DJ and karaoke for entertainment. There will be a Hawaiian buffet catered by Jacques and a 50/50. Please keep your eye out for our upcoming events on our Men's Club bulletin board and on the website. We look forward to seeing you support our events. You will enjoy yourself. Thank you again for the community support which we get, which helps us go on, however, we always need more members and more support.

Friday the 13th will be a lucky day here in LHS! Join us for our Freaky Friday Block Party on Friday, June 13th from 5:30-8:30 PM outdoors in the fitness center parking lot (we'll move indoors if it rains). Enjoy live music by the Coastal Vibe Band and a buffet of fried chicken, pulled pork sandwiches and sides. For dessert, we have booked Mr. Softee for an ice cream sundae bar. All this for \$30! Feel free to BYOB and please bring your own chair if you can, as we have a limited amount of outdoor chairs available. Please check the website and bulletin board for updates. The last two ticket sale dates are May 27 (Tuesday due to Memorial Day) and June 2. We expect this event to sell out, so be sure to get your tickets early! As always, if you can't make it to the ticket sales, please email me at leebruzaitis@gmail.com.

Both our Spring Fling and Cinco de Mayo events were a great success. Everyone enjoyed the Spring Fling menu by Chef Mike Wiggins (thank you so much!) as well as our entertainment for the evening, the ShoreSyde Duo. Tacos from Sofia's in Silverton were a hit at Cinco de Mayo, as were the frozen margarita setups (thanks Maureen and Mike for your blender magic!). DJ Tommy Lynch had everyone up dancing the night away. Thank you to my dedicated committee for all your hard work to make these events a success! And thank you to all of you who came out to

these events. If you've never been to one of our events, we encourage you to come out and have some fun with your friends and neighbors.

Looking forward, save the date and start planning your costume for our Halloween Party on Saturday, Oct. 25.

THE WOMEN'S CLUB

Deb Rodgers

Hi everyone,

Thank you to all who attended our May meeting and heard our speaker, Gregory Andrus. He told us about his book, A Walk Along the Jersey Shore. His insights and experiences were very interesting and informative. Thank you, Gregory!!

Our June Luncheon will be held at the Spring Lake Manor. There will be a cocktail hour that includes one drink ticket for one beer, wine or sangria. There will be a bartender if you would like to purchase an additional drink. Unlimited soft drinks. An assortment of cheeses, crackers, raw veggies, seasonal grilled marinated veggies, wet mozzarella, tomatoes and assorted Italian provisions. A five-leaf salad with citrus vinaigrette, rolls and butter. You will have a choice of Penne Vodka, Chicken Francaise or Stuffed Filet of Sole. Served with a vegetable and starch. The wait staff will take your order the day of the luncheon. Dessert will be an assortment of cookies, cannoli, biscotti and brownies. Coffee (regular and decaf) and assorted teas. I've been here before. The food and atmosphere were amazing. Guests are welcome. We would also like to ask people to carpool because I know it's not around the corner. It's in Spring Lake on Rt. 71. There is plenty of parking too.

We will be on hiatus for the months of July and August. Have a wonderful summer and we hope to see you in September.

We are always looking for a speaker or fun activity to do at our meetings. Feel free to let myself or the Women's Club Executive Board members if you have any ideas.

If you have any questions, please feel free to contact me.

That's all for now. Enjoy the rest of your month!!
